Newsletter October 2015

Well another month passes and thoughts turn to the cold nights ahead and the changing of the clocks, but for us a more serious time of year and listed below the Remembrance Time Events which begin on Friday 11th November at 11am when the Legion holds its special school and pre-school service ALL ARE WELCOME!

After the short service of homage the children will lay their poppies and place the crosses on the War Graves in the church yard. Refreshments will be served for all.

.....

Sunday 8th November Remembrance Sunday service 10.45am
Legion, Scout Group and Wreath layers muster at 10.30 at Haughley Post Office ready to parade to church.

.....

Wednesday 11th November Armistice Day
11am Flag raising with Haughley Crawford School again ALL WELCOME and refreshments will served afterwards.

.....

Other business this month saw our AGM and surprise, surprise no changes to officers and committee except the resignation of Mrs D Newman who has been on the committee since Haughley reformed as a Branch 8 years ago, pleasingly though 3 more members have been elected and we now are a strong committee of 12.

This year we have been asked to provide the ever popular Jacket potato's at Wetherden Firework Display on the 7th November.

We have our Annual Poppy Appeal Concert, but this year at The Blackbourne centre in Elmswell, tickets are on sale at £7.50 and this takes place on Saturday 24th October. Tickets may be purchased by contacting 01449 770353.
