1. The Minutes of the meeting of 31st March 2014 were reviewed and certified as being correct .

2. No Matters were arising from March meeting.

3. Chairman's report: There were no new items for report.

4. Secretary's report:

    - The final Agenda for the Annual Conference has now been finalized and copied to John Maskell-Bott. The Secretary will check at the end of week to ensure that the other documentation has been received by him direct from H.O.

    - The Governor's welcome parade was briefly discussed. Regrettably, since this parade will take place on a working day, there are no members able to parade the Standard.

5. Treasurer's report:

    - The invoice for the bulk wreath supply has been received and will be settled.

6. Any Other Business:

    - A poppy collection tin has been returned from Darwin Lodge, the contents of which will be credited to the Poppy Appeal account in due course.

    - Kathy had carried out some research regarding soluble containers designed for the "scattering" of ashes at sea. In view of the potential increase in demand for us to provide such a service, after some discussion it was agreed that she will source 2 dark blue, and 2 "natural" coloured containers to be held in stock for use, in need.

7. The next meeting of the Committee has been provisionally fixed for 6.30 p.m. on 26th May 2014.

Keith Biles.
