

OBITUARY

MRS ELLEN HAMMOND ? - 2020

I recently heard from branch chaplain, Peter, of the death of Mrs Ellen Hammond from Docking. Although not a member of the branch, she had been a long term member of the Docking Women's Section some years ago, following her wartime service, and has been a consistent and very effective Poppy Appeal collector for many years - most recently by successfully inviting locals into her home to donate. She will be much missed.
