

OBITUARY

RITA THWAITES 1915 - 2017

I have, by chance, very recently learned from a local friend of the death of member Rita Thwaites, about whom I wrote a piece after she celebrated her 100th birthday in July 2015. I was concerned that she had not renewed her membership last autumn, and had suspected the worst when her house went up for sale, but until now had been unable to find out.
