

Annual Membership Awards 2025

01/10/2024

Dear fellow Member,

As Chair of the Membership Awards Committee, I would like to thank everyone who submitted nominations for the Annual Membership Awards last year. It was a great pleasure for the Awards Committee to read through all your nominations and about the fantastic work that goes on in our branches, counties, districts and sections.

I am particularly grateful to my fellow Membership Council Representatives Adrian Wright and Bob Chambers for filling in for me during the awards ceremony in Newport whilst I was absent and ensuring that our deserving award winners got their recognition and time in the spotlight at Conference.

As we now look ahead to Annual Conference 2025 in Harrogate, I would like to invite you to nominate worthy formations and members for the Annual Membership Awards. Harrogate is a spectacular venue, and I am certain the winners will again be recognised and celebrated in a manner they truly deserve.

The deadline for nominations is **5pm Friday 14th February**, with nominations to be submitted to membershipservices@britishlegion.org.uk. Please title your email: "Membership Awards AC25"

Thank you for helping us to celebrate hard work and achievement together.

With kind regards,

Michael Challinor
