**In Memoriam**

The Royal British Legion is deeply saddened to announce the death of our National President, Sir Clive Johnstone (rt'd) KBE, CB.

Sir Clive died on Sunday 12th May, shortly after the end of the RBL's Annual Conference that had been taking place in Newport, Wales.

An extraordinary military leader and person of great integrity and intellect, Sir Clive was extremely honoured to be National President for the Royal British Legion. Only a day before his passing, Sir Clive shared his passion for the charity in an address to RBL Members at the Annual Conference, describing the Legion as 'the best and most amazing charity'.

Sir Clive Johnstone assumed his role as the National President of the Royal British Legion in May 2023, taking over from Lieutenant General James Bashall CB, CBE. He came from a family who served in the Royal Navy and British Army over many generations and served in the Royal Navy from 1985 to 2019.

Across his career, Sir Clive was deployed to most points on the compass and had served on ships ranging from minesweepers to aircraft carriers. Onshore, he operated in staff roles focussed on procurement, people, policy, and operations. Sir Clive was knighted in the 2019 New Year's Honours.

In his short time as RBL National President, Sir Clive made a huge impact, and his loss will be felt across the charity and the Armed Forces community.

Our thoughts and prayers are with his wife, Alison, and their two daughters, Phoebe and Emily.

### **6<sup>th</sup> June Chesterfield 80th D Day Commemorations**

We have been allowed to have our stand once  
again with in Vicar Lane Precinct.

You have noticed that it is a mid-week event,  
however it is the 80th Anniversary of D Day.  
For those that are not from the town, it is the  
Flee market day, and believe it or not, it is one  
of the busiest days of the week. But like  
everything we need the weather.

I know for many it will be a working day, but I  
feel that there should be enough of us to do  
the day proud. Not sure yet where we will be  
positioned but will be taking the trailer, to  
promote the branch even more.  
So if you can help, please do. We will of course  
have the brew making kit with us.

Will be looking to set up from around 08:30.

### **6<sup>th</sup> June D Day Memorial Service, Boston**

D Day Memorial Service will take place on  
Monday 6th June 1030 hrs at The War Memorial  
in Wide Bargate.

### **6<sup>th</sup> June New York 80th D Day Commemorations**

We've been invited to join in with New York's  
(Not America) 80th D Day celebrations. They  
are holding a bike night along with classic cars.  
Depending on the weather we will either be  
putting our poppy stall up or a table inside the  
village Hall.

Around seven to seven thirty, they will be doing  
a 14 mile bike trip around a couple of villages,  
so the residents can join in the celebrations. So  
let's flag up.

We can set up from 16.00hrs.

### **7<sup>th</sup> to 9<sup>th</sup> June RBLR 1000 Charity Ride.**

don't all ride together, you choose which route  
to ride and either ride on your own, or with  
friends.

**If you don't fancy the ride, your help at Squire  
Café would be much appreciated.**

Registration for the RBLR1000 is now open,

If you've not been before, they normally get around 2,000 bikes. And Just Jane (Lancaster) does a taxi run.

Who can fail to remember our fun filled weekend at Mallory Park. It's a packed weekend of parades from all aspects of biking. We laughed in the face of Force 10 Gales, we scoffed at torrential downpours - doesn't Mother Nature realise we are Rufty Tufty Bikers???

Guess what we get to do it all again. For those camping over there will be live music at night. We will be setting up Friday 5<sup>th</sup> July, all help appreciated. The actual event is Saturday and Sunday.

We have again 10 passes available to us, as usual first come first served. If you can make it for the full weekend that is great, if you can only make it for the day or don't want to camp that is good too. Just come along and enjoy yourself.

### **6th & 7th July Staveley Armed Forces Weekend**

We have once again been invited to take part in the Staveley Armed Forces Weekend.

As many of you will be aware it has moved location since the end of Covid and has moved once again.

This year it will be held within Chesterfield Football Club Grounds. This will be hard standing so no problems with mud and grass.

Due to us having another event on the same weekend we will only have the one Gazebo in use. But we should be able to make room for the most essential thing the brew kit.

I will be asking if we are able to set up on the Friday if so, will there be any security in place.

**More info closer to the date.**

### **7th July Vincent Classic Bike Show. Crich Tramway Museum**

We will be setting up right outside the main entrance, so hopefully catch the public as they go in.

We will of course have the chance to have a wander around the exhibits.

Unfortunately as we have another event on over the same weekend we will not have the brew kit with us, so please don't forget your flasks.
