

Nine members of the Oxted and District Branch of the Royal British Legion, a mixture of Veterans and other Branch and Club members slept out semi rough on the 13th March 2026. Raising funds for the Royal British Veterans Enterprise (RBVE) that support homeless veterans. Our combined team fund page and two individual fund pages have contributed over three thousands pounds so far.

We congregated in the RBL clubhouse bar over a fish and chip takeaway.

After bar closing we moved to our tarpaulin covered sleeping spot the back of the car park.

The night temperature dropped below freezing evidenced by a thick ice layer on nearby parked cars.

In the morning we cooked egg banjo sandwiches and hot drinks for all on gas stoves.

Some posing photos before we departed home.
