TERRY PATTERSON - ? – 10 May 2020

The sad news has just been received of the death of member Terry Patterson, from Stanhoe, at the age of 81. A friendly and talented person with a wicked sense of humour, he had suffered a stroke some years ago, and although still driving, and visiting the village coffee mornings, he had not attended our lunches for some time. He will be greatly missed in the village, particularly for his support of the church community and All Saints' PCC. Our thoughts are with his family members, and friends.
